'FABULOUS PRIZE' Ideas for Valentine's Quiz Winner:

There are ideas for Valentine's Day in every shop you enter this month. You could go for drama with a single red rose; go for cutesy with a tiny stuffed animal from you local dollar store--or my tendency is to go for comedy--with a tiny box of conversation hearts. Use your imagination (instead of your wallet) and have fun.

Oh yeah, and Happy Valentine's Day!
